### 3 Protection Organizers

**LD-070**  
Holds flat pack gowns, three boxes of gloves, one box of face masks, and one box of face shields

**LD-007**  
Holds flat pack gowns, three boxes of gloves, and one box of face masks

**LD-063**  
Holds gowns in two compartments, two boxes of gloves, and one box of face masks

**LP-004**  
Holds one box of face masks, three boxes of gloves, and has two bulk storage bins

#### Versatility

Protection Organizers are designed to hold Personal Protection Equipment (PPE) to protect healthcare providers. Quick access to PPE including gloves, face masks, and gowns makes it easier to meet compliance requirements.

Protection Organizers can be easily customized with accessories such as glove dispensers, caddies, sign holders, and door hangers ensuring you have the protective equipment available when and where you need it.

**LD-037**

Holds gowns, two boxes of gloves, face masks, and face shields

All consumable items are for demonstration purposes only and not included with the dispensers.

**Convenience**

Protection Organizers provide a convenient and economical alternative to isolation carts for standardizing the location of PPE supplies. Organizers can be mounted in high traffic, visible locations outside patient rooms,

hung on walls or patient doors. Generally mounted at eye level, they allow the right combination of PPE to be available at all times. The quartz color makes them attractive in any setting.

## 5 Protection Organizers

### Specialty Protection Organizers and Gown Holders

#### 4" Deep Protection Organizers - ADA Compatible

#### **LD-062**

Holds gowns in two compartments, three boxes of gloves, has two bulk face mask sections, and an additional shelf for medical supplies

#### **LD-064**

Holds gowns, three boxes of gloves, face masks in bulk, and contains a built-in storage caddy

#### **PS005-0212**

Holds thumbs-up gowns in bulk quantity, two boxes of gloves, and two boxes of face masks, with a built-in caddy for additional medical supplies

#### Gloveless Organizers

#### **PS007-0212**

Holds flat pack gowns in bulk and thumbs-up gowns in the box or in bulk quantity, one box of face shields, and has two built-in caddies to hold wet wipe and hand gel dispensers

#### **PS003-0212**

Holds gowns, one box of face masks, and one box of face shields

#### **LD-040**

Holds gowns, one box of face masks, and one box of face shields

### Laundered Gown Organizer

**LD-067**  
Holds laundered gowns, two boxes of gloves, and one box of face masks

### Dental Organizer

**MD-100**  
Holds three boxes of gloves, two boxes of face masks, quarter fold towels and patient bibs both in bulk quantity

### Gown Dispensers

**RP-030**  
Holds a box of disposable isolation gowns

**RP-011**  
Holds gowns or aprons

## Customize Your Organizer

### Clip-On Caddies

- Clip-on design in various sizes holds items such as N-95 masks, safety glasses, bags, wet wipe canisters, gloves, etc.
- May be used with protection organizers that are 4" deep or greater

GD-013

MP-015

MP-042

MP-085

### Undermount Caddies

- Available in single, double, or single with additional shelf to hold medical supplies
- Attaches to the bottom of protection organizer LD-037
- Made of quartz ABS plastic

GD-011

GD-012

GD-111

### Sign Holders

- Clips onto the front of a protection organizer
- Vertical layout provides for 8 1/2" x 11" isolation signage
- Made of clear PETG plastic

### Benefits of Customization

Customizing your Bowman protection organizer gives you added accessibility to the personal protection equipment (PPE) you need. Ready availability to PPE assists your efforts in preventing infection and remaining compliant with infection prevention standards.

# 11 Respiratory Hygiene Stations, Kiosk Stands, & Accessories

## **Respiratory Hygiene Station RS001-0212**

*Shown with sign holder  
MP-070 (sold separately)*

**Comply with the CDC  
guidelines and take  
precautions to prevent  
the transmission of  
respiratory infections**

Download free Cover Your Cough  
signage by visiting our website at  
[www.BowmanDispensers.com](http://www.BowmanDispensers.com)

### **CDC Recommendations\***

To prevent the transmission  
of respiratory infections

**1**

#### **Visual Alerts**

Post visual alerts at the entrances to healthcare facilities, including emergency departments, physician offices, clinics, etc. ○-----

**2**

#### **Cleaning Hands**

Use of antiseptic handwash if a sink for hand washing is not available. ○-----

**3**

#### **Wearing Face Masks**

Wear a mask if coughing. Masks available for visitor use. ○-----

**4**

#### **Using Tissues**

Cover the nose and mouth with a tissue when coughing or sneezing and properly dispose of them after use. ○-----

\*This information is based on the Guideline for Isolation Precautions: Preventing Transmission of Infectious Agents in Health-care Settings. Recommendations of the Healthcare Infection Control Practices Advisory Committee (HICPAC), CDC.

All consumable items are for demonstration purposes only and not included with the dispensers.

# 13 Respiratory Hygiene Stations, Kiosk Stands, & Accessories

## Protecting Ports of Entry

### Non-locking

**WD-015**  
**Hand Sanitizing**  
**Dispensing Station**  
*Shown with hand gel*  
*dispenser (not included)*

All consumable items are for demonstration purposes only and not included with the dispensers.

## Public Area Protection

### Accessibility

Providing a versatile option for standardizing the location of infection prevention supplies, Respiratory Hygiene Stations can be placed in high traffic locations such as lobbies and entryways, hung on walls or set on counters.

### Convenience

Designed to hold a wide variety of supplies from various manufacturers and placed where infection prevention supplies are needed most – at ports of entry.

### Cost Effectiveness

Infectious outbreak investigations and staff absenteeism are very costly. Bowman Respiratory Hygiene Stations provide the items needed to support your efforts in preventing the transmission of infections.

All consumable items are for demonstration purposes only and not included with the dispensers.

## Material Options

### Built to Last

Bowman® dispensers are crafted from the most durable materials available.

STAINLESS STEEL

POWDER COATED METAL

PETG PLASTIC

HIGH IMPACT PLASTIC

SINTRA® PLASTIC

#### STAINLESS STEEL

- Easy to clean and sterilize
- Attractive appearance
- Durable
- Corrosion resistant

#### PETG

- 15 to 20 times tougher than acrylic
- Resists weather and a variety of common cleaners
- Complies with FDA regulations for food contact
- Easy to clean
- Scratch resistant

#### HIGH IMPACT PLASTIC

- Cost Effective
- Tough, pliable, and attractive
- Used for industrial products

PROPERTIES COMPARISON	PETG	High Impact Plastic	Acrylic
IMPACT RESISTANCE	Very Good	Good	Poor
OPTICAL PROPERTIES	Good	Good	Very Good
CHEMICAL RESISTANCE	Very Good	Very Good	Poor
LONG TERM DURABILITY	Excellent	Very Good	Poor
