New Product

Sun X SPF 50+ Broad Spectrum Sunscreen has several unique packaging allowing the most effective and economical skin care program for any environment.

Affordable packaging that allows the employer to implement a cost effective skin care program for their employees.

Sun X SPF 50+ Broad Spectrum Sunscreen has been tested by an independent Laboratory, allowing the following claims to be made:

- FDA compliant with new 2012 FDA Sunscreen Monograph
- Sun X has a SPF 50+ rating, the most allowed by FDA.
- Sun X SPF 50+ contains Aloe Vera Gel & Vitamin E
- Broad Spectrum Sunscreen with UVA/UVB protection
- Passed the Lineman's Glove Test (Type 1 Class 2 ANSI/ASTM D 1240)
- Sun X is FDA rated Water & Sweat resistant.
- PABA / Paraben Free
- Fragrance Free

Helpful Hints:

- Apply sunscreen at least 15 minutes before going outside.
- Liberally apply sunscreen to exposed areas.
- Rub in thoroughly
- Apply sunscreen first before applying insect repellent.

Note: CDC and EPA do not recommend using a combination sunscreen-insect repellent. Apply sunscreen first then insect repellent.

Bug X 30 Insect Repellent with DEET

This EPA registered formula follows the suggestion from CDC to reduce the amount of DEET concentration in insect repellents. This newly approved EPA formula allows the DEET to be released in a more controlled and measured manner, permitting longer lasting performance once obtained only by high concentrations of DEET.

This new water base formula is:

- Long Lasting
- Non-Greasy
- Non-Staining
- Low Odor
- Water and Sweat Resistant

Bug X 30 Insect Repellent It has all the claims necessary for a compliant skin care program plus the packaging that makes it affordable (towelette and spray) to meet every application. Bug X 30 is EPA registered in all 50 states.

It's "Your Insect Repellent Skin Care Solution".

Bug X 30 Insect Repellent with 30% DEET is effective for 7+ hours of protection against: Mosquitoes, ticks, chiggers, fleas, gnats, red bugs, no-see-ums, sand fleas, biting flies, deer flies, stable flies, and black flies.

It effectively repels Mosquitoes and other insects carrying: WEST NILE VIRUS, LYME DISEASE, HUMAN GRANULOCYCTIS, EHRLICHIOSIS (HGE), ENCEPHALITIS, MALARIA, DENGUE FEVER AND SPOTTED FEVER.

Helpful Hints:

- Cover all exposed areas
- Use spray application on clothes
- Re-apply after washing and heavy activity

Bug X Free Insect Repellent without DEET

With the ongoing threat of insect transmitted diseases like West Nile virus and Lyme disease there is finally an industrial DEET free insect repellent that works! Bug X FREE is an all natural, DEET free insect repellent providing protection against mosquitoes, ticks, flies, gnats, no-see-ums and fleas.

BugX FREE formula is:

- Safe to use on FR clothing
- No-flammable
- Green – Environmental Friendly
- Easy Application
- Convenient

Bug X FREE is the perfect answer when Fire Retardant (FR) clothing is being worn, environmental conditionals prefer "Green" or All Natural" products to be used, and /or face and neck protection is needed.

It's "Your insect repellent skin care solution".

Bug X FREE Insect Repellent without DEET is effective for up to 120 hours of protection against: Mosquitoes, ticks, chiggers, fleas, gnats, red bugs, no-see-ums, sand fleas, biting flies, deer flies, stable flies, and black flies.

IvyX

PRE-CONTACT SKIN SOLUTION

Ivy X Pre-Contact Skin Barrier

Ivy X Pre-Contact Skin Solution provides an invisible barrier helping to protect against poisonous plant oils (Urushiol) commonly found in Poison Ivy, Poison Oak and Poison Sumac. Ivy X Pre-Contact Skin Solution dries quickly, non greasy, sticky or clay-like which is found in other products. There is no wait time, apply Ivy X Pre-Contact Skin Solution and immediately start your outdoor task. Other products suggest you wait 15 to 20 minutes before entering the work area. Ivy X Pre-Contact Skin Solution is water and sweat resistant, is almost unnoticeable on the skin and washes off with soap and water. Our packaging (towelettes, bottles and sprays) allows for a compliant and affordable skin care program to help in poisonous plant protection.

IvyX

POST CONTACT SKIN CLEANSER

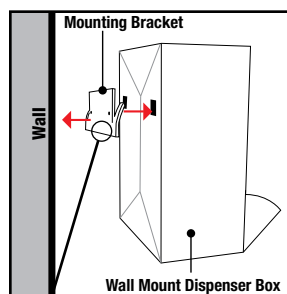

Ivy X Post-Contact Skin Cleanser

Ivy X Post-Contact Skin Cleanser is effective in assisting in the removal of poisonous plant oils (Urushiol) found in Poison Ivy, Poison Oak and Poison Sumac. Standard soap and water will not emulsify poisonous plant oils. Ivy X Post-Contact Skin Cleanser is designed to be "Wetter than Water" to start the emulsifying process to assist in removing plant oils before they have time to cause the uncomfortable rash, blisters and itching commonly associated with poisonous plants. Our packaging (towelettes, bottles and sprays) allows for a compliant and affordable skin care program to help in poisonous plant protection.

How to use Ivy X Pre-Contact Skin Barrier:

- Apply liberally to all exposed areas.
- Re-apply after washing or heavy activity.

How to use Ivy X Post-Contact Skin Cleanser:

- Apply to all exposed areas within 1 hour of coming in contact with poisonous plants.
- Clean contaminated tools and equipment before reuse.
- Use as laundry additive to help clean contaminated clothing.

BurnX™

Burn X First Aid Burn Gel

Burn X First Aid Burn Gel with 2.1% Lidocaine is extremely effective for relieving the pain from minor burns and mild skin irritations. Water based and water soluble, Burn X allows the heat to release from the wound, unlike petroleum based products. Its uses include pain relief from minor burns, sunburn, insect bites, skin irritations and the added ingredients included in Burn X starts the healing process immediately after the first application.

Burn X First Aid Burn Gel Ingredient Deck

- Lidocaine 2.1%: for fast pain relief. More Lidocaine than the leading brands.
- Aloe Vera Gel 65%: Replaces moisture + healing aid.
- Tea Tree Oil: Broad spectrum antimicrobial/antiseptic.
- Vitamin A: Promotes skin cell reproduction.
- Vitamin E: Antioxidant, repairs skin damage.
- Allantoin: Skin Soother.
- Menthol: Natural Skin Cooler.
- Spearmint Oil: Natural Skin Cooler.

Try it and discover why it's the best pain relief and first aid burn gel available.
