

PRODUCT CATALOG | 2009 VOL. 3

Get into your digital world with Logitech.

Your work is going digital. Your fun is going digital. Even your social life is going digital. And Logitech is here to get you immersed, even delighted, in the digital world. From music, games, entertainment, and friends that are time zones away — to spreadsheets, presentations, and things you need to accomplish — we make the devices that connect you to it all.

LAPTOP SOLUTIONS

You can have it all—on the road, at the office, in your home. Comfort, productivity, and security are yours everywhere with Logitech peripherals built for the laptop.

VIDEO CALLING SOLUTIONS

No security checks. No travel delays. With a Logitech webcam you never need to leave your desk to be face-to-face, anytime, anywhere in the world. It's fast, easy and free with Logitech Vid™.

Logitech Vid™

HOME WORKSPACE

Whether working from home, or just surfing the 'net, Logitech suits your style and way of working.

DIGITAL VIDEO SECURITY

Peace of mind when you're there. And especially when you're not.

GAMING

The gear that gets you there. Victory is up to you.

HARMONY

Replace all your other remotes with the only one you'll ever need.

NOISE-ISOLATING EARPHONES

How music is ultimately meant to be heard.

WI-FI MUSIC PLAYERS

Listen to free music, news and sports from all over the world.

Mice & Pointing Devices

Mice for Desktop Computers

MX Air™

Part # 931633-0403

On the Desk. In the Air.

Advanced laser technology gives you amazing precision at your desk. In the air, innovative Freespace™ motion sensing transforms hand motions into natural, responsive cursor control.

- In-air operation that transforms hand motions into natural, responsive cursor control
- Media and gesture controls that let you sit back and enjoy your digital media
- Superior laser precision for smoother tracking on virtually any surface
- Touch-sensitive scroll pad with hyper-fast scrolling for flying through documents
- No battery hassles – rechargeable lithium-ion battery and charging cradle

Logitech® Performance Mouse MX™

Part # 910-001105

A Mouse with No Limits that Gives You the Power to Achieve, Even On Glass

With the Logitech® Performance Mouse MX™, you'll have the power to achieve. You can track precisely on more surfaces—even glass tables (4 mm minimum thickness)—thanks to Logitech® Darkfield Laser Tracking™.

- New Logitech® Darkfield Laser Tracking™ works on more surfaces than other mice—even on glass
- Tiny Logitech® Unifying receiver stays in your computer—plug it in, forget it, even add compatible wireless devices without multiple USB receivers
- Flexible recharging system for easy charging through your computer or a power outlet
- Hyper-fast scrolling lets you fly through long documents and web pages
- Sculpted right-handed shape with stealth thumb controls for rapid-fire web browsing, application switching, zooming and more

MX™ 1100 Cordless Laser Mouse

Part # 910-000718

Take Hold of the Next Level of Comfort

Contoured to fit your hand naturally, the MX 1100 Cordless Laser Mouse delivers exceptional comfort and features hyper-fast scrolling and adjustable dpi settings for enhanced performance.

- Elegantly contoured shape that fits your hand naturally for maximum comfort
- Revolutionary hyper-fast scrolling for flying through documents and Web pages
- Adjustable-dpi laser engine (up to 1600 dpi) for customizable precision
- Advanced 2.4 GHz wireless technology for more robust, reliable performance
- 10 programmable buttons, including a “stealth” thumb button, for additional control

VX Revolution™ Cordless Laser Mouse

Part # 931690-0403

Amazing Speed and Comfort in a Compact Design

Turbo-charge your computer with hyper-fast scrolling that lets you fly through long documents. The compact design is built for comfort and convenience – and is ideal for both desktop and notebook computers.

- Revolutionary hyper-fast scrolling for flying through documents and Web pages
- Superior laser precision for smoother tracking on virtually any surface
- Convenient micro-receiver that snaps into mouse for easy transport
- Touch to Search button that instantly displays results from your favorite search engine
- Sculpted ergonomic design with rubber grips for exceptional comfort

MX™620 Cordless Laser Mouse

Part # 910-000240

Get the Speed You Need with Hyper-Fast Scrolling

Get to your information more quickly with the hyper-fast scroll wheel, which lets you fly through long documents in seconds – and stop immediately with just a tap.

- Revolutionary hyper-fast scrolling for flying through documents and Web pages
- Superior laser precision for smoother tracking on virtually any surface
- Sculpted ergonomic design with rubber grips for exceptional comfort
- Customizable buttons for easy access to key tasks, including one-touch search
- Logitech® 2.4 GHz digital wireless for fast, reliable performance

LX8 Cordless Laser Mouse

Part # 910-000323

Total Comfort with Soft Rubber Grip

Featuring a contoured shape with soft rubber grips, the LX8 provides exceptional comfort, and the high-performance laser sensor delivers smoother cursor control on virtually any surface.

- Superior laser precision for smoother tracking on virtually any surface
- Contoured design with rubber grips for exceptional comfort
- Battery life up to 8 months and low-battery indicator to help eliminate surprises
- USB mini-receiver for a clutter-free wireless experience
- Side-to-side scrolling and zoom for enhanced navigation

Mice & Pointing Devices

Mice for Desktop Computers

LX6 Cordless Optical Mouse

Part # 910-000485

Upgrade to Wireless

The LX6 makes it easy to upgrade to a wireless mouse with extended battery life and a contoured shape with soft side grips for added comfort.

- Contoured design with soft side grips for improved comfort
- Battery life up to 8 months and low-battery indicator to help eliminate surprises
- High-definition optical sensor for improved tracking and cursor control
- Side-to-side scrolling and zoom for enhanced navigation

Cordless Optical Mouse

Part # 910-000132

The Easy Way to Go Cordless

Get a clean, reliable experience right out of the box. Simply plug the receiver into your computer, and you are ready to go.

- Advanced optical sensor for exceptionally smooth tracking
- Scroll wheel for easy navigation through documents and Web pages
- Easy setup – no software to install

Corded Mouse M500

Part # 910-001204

Experience the Superior Precision of High-Performance Laser

Delivering extraordinary control on virtually any surface, Logitech's advanced laser technology adds a new level of power and precision to using your computer.

- Superior laser precision for smoother tracking on virtually any surface
- Sculpted ergonomic design with rubber grips for exceptional comfort
- Side-to-side scrolling and zoom for enhanced navigation
- Forward and back buttons for easy Internet surfing

LS1 Laser Mouse

Part # 910-000594

Add a Touch of Style to Your Desk

The sleek, glossy finish with color accents adds style to any workspace, and the high-precision laser sensor and rubber grip deliver exceptional performance and comfort.

- Sleek, contemporary styling with glossy finish and color accent
- Superior laser precision for smoother tracking on virtually any surface
- Soft rubber side grips for exceptional comfort
- Easy setup – no software to install

LX3 Optical Mouse

Part # 931622-0403
(slate)

Easy Number Entry for Your Notebook Computer

With comfortable side grips for enhanced comfort and a high-definition optical sensor for smooth, precise tracking, you'll enjoy using this mouse right from the start.

- High-definition optical sensor for improved tracking and cursor control
- Contoured design with soft side grips for exceptional comfort
- Side-to-side scrolling and zoom for enhanced navigation
- Forward and back buttons for easy Internet surfing

931658-0403
(blue)

Optical Mouse

Part # 931643-0403
(dark gray)

Smooth Tracking and Cursor Control

Featuring the world's best-selling optical technology, the Logitech® Optical Mouse combines optical precision and smooth scrolling in a comfortable contoured design.

- High-definition optical sensor for improved tracking and cursor control
- Side-to-side scrolling and zoom for enhanced navigation
- Easy setup – no software to install

Mice & Pointing Devices

Mice for Notebook Computers

Logitech® Anywhere Mouse MX™

Part # 910-000872

A Compact Portable Mouse that Works Wherever You Do, Even Glass

The Logitech® Anywhere Mouse MX™ works wherever you do. Thanks to Logitech® Darkfield Laser Tracking™, you'll get precise cursor control on virtually any surface, even glass tables (4 mm minimum thickness) where optical and standard laser mice fail.

- New Logitech® Darkfield Laser Tracking works on more surfaces than other mice—even on glass
- Tiny Logitech® Unifying receiver stays in your notebook—plug it in, forget it, even add compatible wireless devices without multiple USB receivers
- Compact, sculpted shape for greater mobility and comfort
- Hyper-fast scrolling lets you fly through long documents and web pages
- Forward and back thumb buttons—flip through web pages and photos faster than ever

V470 Cordless Laser Mouse for Notebooks

Part # 910-000298
(blue)

The Precision of Laser with the Convenience of Bluetooth®

With no need to plug in a receiver and smooth, reliable tracking on virtually any surface, the V470 is a great companion for a notebook with Bluetooth® technology.

- Bluetooth® wireless technology for a convenient, secure connection
- Superior laser precision for smoother tracking on virtually any surface
- Contoured design with soft rubber grips for exceptional comfort
- Low-battery indicator that helps eliminates surprises
- Protective pouch for safe and easy transport

V450 Nano Cordless Laser Mouse for Notebooks

Part # 910-000619
(black)

Always Ready When You Are

Featuring a nano-receiver that's small enough to stay in your laptop all the time and up to one year of battery life, the V450 Nano is always ready to go.

- Plug-and-forget nano-receiver that's so small, it stays in your laptop
- Superior laser precision for smoother tracking on virtually any surface
- Ergonomic design with soft rubber grips for exceptional comfort
- Battery life up to 12 months and low-battery indicator to help eliminate surprises
- Advanced 2.4 GHz wireless technology for more robust, reliable performance

V100 Optical Mouse for Notebooks

Part # 931641-0403

Instantly Add Comfort to Your Notebook

The Logitech® V100 Optical Mouse for Notebooks is convenient to carry, simple to use, and much more comfortable than a touchpad.

- High-definition optical sensor for improved tracking and cursor control
- Contoured shape for improved comfort and support
- Side-to-side scrolling and zoom for enhanced navigation
- Easy setup – no software to install

Logitech® Professional Presenter R800

Part # 910-001350

Powerful Control for High-Impact Presentations

Grab their attention. Make high-impact presentations with a powerful green laser. Keep track of time and wireless range with the LCD display.

- Brilliant green laser pointer is easy to see on any presentation screen
- LCD display with flexible timer and silent vibrating alerts help you manage time without watching the clock
- Up to 100-foot (30-meter) range for freedom to move and mingle around the room
- Intuitive controls for easy, one-touch slideshow navigation
- Storable plug-and-play wireless receiver

Logitech® Wireless Presenter R400

Part # 910-001354

Designed to Help You Make Your Point

Make your point. With a curved design, intuitively placed controls, and a bright red laser you'll be in control from start to finish.

- Intuitive slideshow controls allow you to navigate your presentation with confidence
- Red laser pointer that is easy to see on most backgrounds
- Up to 50-foot (15-meter) range
- Storable plug-and-play wireless receiver

Cordless Optical TrackMan®

Part # 904369-0403

Experience Trackball Comfort — without the Cords

Featuring advanced optical tracking, reliable wireless technology, and a smooth, contoured shape, this high-performance trackball delivers amazing precision and comfort.

- Ergonomic design that provides enhanced comfort – even after extended use
- Digital RF technology for a clutter-free wireless experience
- Customizable buttons for easy access to key tasks
- Fingertip control for fast, accurate cursor movement
- Patented Marble® optical technology for exceptionally smooth tracking

Cordless TrackMan® Wheel

Part # 904346-0403

Wireless Comfort and Precision

The sculpted design and advanced optical tracking of this wireless trackball give you incredible comfort and precise control, with no cords to clutter your workspace.

- Ergonomic design that provides enhanced comfort – even after extended use
- Digital RF technology for a clutter-free wireless experience
- Customizable buttons for easy access to key tasks
- Thumb-operated ball for fast, accurate cursor movement
- Patented Marble® optical technology for exceptionally smooth tracking

TrackMan® Wheel

Part # 904353-0403

Comfortable Scrolling and Precise Control

The comfortable, thumb-controlled design makes this high-quality trackball ideal for extended use, and the advanced optical tracking provides smooth, precise control.

- Ergonomic design that provides enhanced comfort – even after extended use
- Scroll wheel and drag lock button for easy navigation
- Customizable buttons for easy access to key tasks
- Thumb-operated ball for fast, accurate cursor movement
- Patented Marble® optical technology for exceptionally smooth tracking

TrackMan® Marble®

Part # 910-000806

Long-Lasting Comfort for Either Right or Left Hand

With a sleek ambidextrous design that fits either hand comfortably, the large Marble® trackball and advanced optical technology provide smooth tracking and superior precision.

- Sleek ambidextrous design that provides long-lasting comfort for either hand
- Customizable buttons for easy access to key tasks
- Fingertip control for fast, accurate cursor movement
- Patented Marble® optical technology for exceptionally smooth tracking
- Large trackball that improves control while reducing hand and wrist motion

Cordless Desktop® MX™ 5500 Revolution

Part # 920-000383

The Speed You Need. The Control You Crave.

The Cordless Desktop® MX™ 5500 Revolution delivers remarkable speed and control with hyper-fast scrolling on the rechargeable laser mouse, Bluetooth® technology, and integrated keyboard display.

- Revolutionary hyper-fast scrolling for flying through documents and Web pages
- Integrated, dynamic display for accessing key information
- Bluetooth® technology for long-range wireless control (up to 30 feet)
- Rechargeable laser mouse for smoother tracking on virtually any surface
- One-touch controls for easy access to key features

Cordless Desktop® Wave Pro™

Part # 920-000919

Our Highest Level of Comfort

The acclaimed Wave keyboard design and the elegantly contoured laser mouse both conform to you naturally to provide our highest level of comfort.

- Innovative Wave design that cradles your hands naturally
- Elegantly contoured mouse that fits comfortably in your hand
- Rechargeable laser mouse and 3-year keyboard battery life
- Revolutionary hyper-fast scrolling for flying through documents and Web pages
- Advanced 2.4 GHz wireless technology for more robust, reliable performance

Logitech® Wireless Desktop MK700

Part # 920-001763

Where Comfort and Productivity Go Hand-In-Hand

The Logitech® Wireless Desktop MK700. Where comfort and productivity go hand-in-hand. Concave keys position your fingers properly, and their softly rounded edges invite your fingertips to glide from key to key, hour after hour.

- Logitech® Incurve keys™ and cushioned palm rest invite your fingertips to glide from key to key
- Up to three-year keyboard battery life and 12-month mouse battery life
- Hyper-fast scrolling lets you fly through long documents with the nearly frictionless scroll wheel
- LCD dashboard that gives you at-a-glance icon status of your battery, Caps Lock, Scroll Lock and Num Lock
- Logitech® Advanced 2.4 GHz wireless technology dramatically reduces interference

Cordless Desktop Wave™

Part # 920-000264

Get More Done, with More Comfort

The Logitech® Wave™ keyboard design instinctively guides your hands into a natural position for enhanced comfort and productivity. The wireless laser mouse delivers exceptional precision.

- Innovative Wave design that cradles your hands naturally
- Padded palm rest for extra support and smoother tracking on virtually any surface
- High-performance laser mouse for smoother tracking on virtually any surface
- Extended battery life and low battery indicators to minimize battery hassles
- Extra-large hot keys for easy access to your favorite activities

Cordless Desktop® S 520

Part # 920-000922

The Perfect Companion for Your Flat-Screen Monitor

Sporting a compact, contemporary design, the Cordless Desktop® S 520 completes your PC setup with a high-performance wireless laser mouse and easy, one-touch controls.

- Compact, contemporary styling that complements today's monitors
- High-performance wireless laser mouse for smoother tracking on virtually any surface
- Extended battery life and low battery indicators to minimize battery hassles
- Easy, one-touch access to your music, the Internet, and more
- Programmable keys that let you personalize your keyboard

Cordless Desktop® LX 310 Laser

Part # 920-000390

Instantly Add Power and Convenience to Your PC

Upgrade your computer quickly and easily with the precision of a laser mouse and powerful, easy to use controls that blend cleanly into the streamlined styling of the keyboard.

- High-performance laser mouse for smoother tracking on virtually any surface
- Instant access to your music, the Internet, and more
- Sleek, contemporary styling that enhances any work space
- Quick, easy set-up and reliable operation
- Durable spill-resistant design

Logitech® Wireless Desktop MK 300

Part # 920-000920

The Easiest Way to Go Cordless

Quick and easy to set up, the Cordless Desktop EX 110 features a simple, attractive design and wireless optical mouse that make it easier than ever to remove the clutter of wires and cables.

- Instant access to your music, the Internet, and more
- Sleek, contemporary styling that enhances any work space
- Quick, easy setup and reliable operation
- Wireless optical mouse for smooth, reliable tracking
- Durable spill-resistant design

diNovo Edge™

Part # 967685-0403

The Ideal Blend of Performance and Style

Laser-cut from a single piece of Plexiglas less than 3/4 of an inch thick and set in a brushed aluminum frame, the ultra-slim diNovo Edge™ makes a bold statement in the living room or office.

- Premium styling accented by glossy black and brushed aluminum
- Backlit “stealth controls” for quick access to key functions
- Innovative TouchDisc™ for navigation and scrolling
- Recharging stand that stores and recharges keyboard
- Bluetooth® technology for long-range wireless control (up to 30 feet)

diNovo Edge™, Mac® Edition

Part # 920-001727

Sophisticated Performance and Style for Your Mac

The ultra-slim profile and elegant styling of the diNovo Edge™ for Mac are complemented gracefully by easy, one-touch controls to launch your favorite Mac OS® applications.

- PerfectStroke™ key system for typing that’s silent, natural and fluid
- Recharging stand that stores and recharges keyboard
- Innovative TouchDisc™ for navigation and scrolling
- Optimized Mac controls for easy one-touch access to Mail, Safari, iTunes and more
- Bluetooth® technology for long-range wireless control (up to 30 feet)

diNovo Mini™

Part # 920-000594

Total Control of Your PC Entertainment from Your Sofa

With a dual-purpose ClickPad and long-range operation, the palm-sized diNovo Mini™ keyboard makes it easy to access your digital entertainment PC from across the room.

- Mini-keyboard that fits comfortably in your hand and in your living room
- Dual-purpose ClickPad that works as a touch pad or as a directional pad
- Rechargeable lithium-ion battery that lasts up to one month between charges
- Bluetooth® technology for long-range wireless control (up to 30 feet)
- Variable backlighting for effortless text entry, even in low light

Illuminated Keyboard

Part # 920-000914

Illuminate Your Typing Experience – Night or Day

Featuring bright, laser-etched, backlit keys and an ultra-thin 9.3-mm profile, the Logitech® Illuminated Keyboard adds a touch of elegance to your desk – even in the dark.

- Bright, laser-etched, backlit keys that let you type easily – even in the dark
- Cutting-edge, ultra-thin profile (9.3 mm) that adds an elegant touch to any desk
- PerfectStroke™ key system for typing that’s silent, natural and fluid
- Sleek, minimalist design for the ideal combination of form and function
- Soft-touch palm rest and full-size key layout for enhanced comfort

Logitech® Wireless Keyboard K350

Part # 920-001996

A Comfort Curve Without the Learning Curve

With its distinctive Wave design and Constant Curve layout, Logitech® Wireless Keyboard K350 guides your hands into just the right position. You’ll type with ease and confidence, but without having to re-learn typing on an unfamiliar layout.

- Wave design with constant curve layout, helping you type with ease and confidence
- Cushioned palm rest helps position hands comfortable and properly on the keyboard
- Up to three years of battery life
- Logitech Unifying receiver so tiny it stays in your notebook. And you can easily add compatible mice and keyboards to the same receiver
- Logitech® Advanced 2.4 GHz wireless technology dramatically reduces interference

Logitech® Wireless Keyboard K340

Part # 920-001771

Designed to Fit Your Space and Your Life

Designed to fit your space—and your life—the compact Logitech® Wireless Keyboard K340 frees up space on your desk without requiring you to compromise on comfort.

- Space-saving design with full size layout and numberpad
- Up to three years of battery life
- Logitech Unifying receiver so tiny it stays in your notebook. And you can easily add compatible mice and keyboards to the same receiver
- Logitech Advanced 2.4 GHz wireless reliability, convenience and freedom—fast data transmission, virtually no delays or dropouts, and 128-bit AES encryption

Logitech® Compact Keyboard K300

Part # 920-000918

Designed to Maximize Comfort and Control

With convenient controls that cleanly blend into the streamlined styling and that include an intuitive volume dial, the Access Keyboard 600 makes accomplishing your tasks easier and more enjoyable.

- Intuitive volume dial that puts control at your fingertips
- Easy one-touch access to your favorite applications
- Comfortable, responsive soft-touch keys
- Increased flexibility and control with programmable function keys
- Durable spill-resistant design

Access Keyboard 600

Part # 920-000021

Designed to Maximize Comfort and Control

With convenient controls that cleanly blend into the streamlined styling and that include an intuitive volume dial, the Access Keyboard 600 makes accomplishing your tasks easier and more enjoyable.

- Intuitive volume dial that puts control at your fingertips
- Easy one-touch access to your favorite applications
- Comfortable, responsive soft-touch keys
- Increased flexibility and control with programmable function keys
- Durable spill-resistant design

Classic Keyboard 200

Part # 968019-0403

Exceptionally Quiet and Comfortable Typing Experience

Get the stylish, durable keyboard that stands apart. The elegant and compact design delivers excellent performance and comfort, looks great on any desk, and saves space.

- Easy setup – no software to install
- Compact profile that saves space
- Comfortable, responsive soft-touch keys
- Superior reliability and responsiveness
- Durable spill-resistant design

Alto™ Cordless

Part # 920-000223

Take Your Notebook to New Heights of Comfort

The sturdy notebook stand elevates and extends your notebook's display to an optimal height and distance for viewing comfort, and the full-sized keyboard lets you type faster, with less fatigue.

- Display stand that raises screen to optimal viewing position
- Full-size wireless keyboard for enhanced typing comfort
- Three-port USB 2.0 hub for convenient access
- Portfolio design that stores and sets up easily
- Works with virtually any notebook computer

Comfort Lapdesk

Part # 939-000091

More Comfort – on the Sofa, the Bed, or Even the Floor

With a heat-shielding design and soft, air-mesh fabric, the Logitech Comfort Lapdesk gives you more comfort around the home – on the sofa, the bed, or even the floor.

- Heat-shielding design that helps protect your body from laptop heat
- Angled riser for improved neck and leg comfort (when used in a seated position)
- Stable, lightweight design for comfortable laptop use on the sofa, bed, or even the floor
- Soft, air-mesh fabric that feels comfortable on your legs
- Thin, streamlined profile that looks good in any room

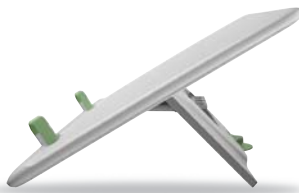

Logitech® Portable Lapdesk N315

Part # 939-000181

Keep Cool and Comfortable Everywhere

Keep cool and comfortable wherever you use your notebook. You're protected from heat, and you can use your mouse on the retractable pad.

- Designed to protect you from notebook heat so your lap stay cool and comfortable
- Retractable mouse pad design
- Thin and lightweight design so you can easily carry it and slide it into your laptop bag or sleeve
- Anti-slip, washable top helps you keep your notebook firmly in place, and it's easy to clean
- Comfortable base gives you the flexibility to sit however you'd like

Logitech® Notebook Riser N110

Part # 939-000095

More Comfort – on the Sofa, the Bed, or Even the Floor

With a heat-shielding design and soft, air-mesh fabric, the Logitech Notebook Riser N110 gives you more comfort around the home – on the sofa, the bed, or even the floor.

- Heat-shielding design that helps protect your body from laptop heat
- Angled riser for improved neck and leg comfort (when used in a seated position)
- Stable, lightweight design for comfortable laptop use on the sofa, bed, or even the floor
- Soft, air-mesh fabric that feels comfortable on your legs
- Thin, streamlined profile that looks good in any room

Logitech® Cooling Pad N100

Part # 939-000119

More Comfort – on the Sofa, the Bed, or Even the Floor

With a heat-shielding design and soft, air-mesh fabric, the Logitech Cooling Pad N100 gives you more comfort around the home – on the sofa, the bed, or even the floor.

- Heat-shielding design that helps protect your body from laptop heat

Perfect for First-Time Webcam Users

Includes free, easy video calling with Logitech® Vid™. With an enhanced VGA sensor, you'll get crisp, colorful video and snapshots at up to 1.3 megapixels.

- Logitech® Vid™: Simple video-calling software that is free, fast, and easy for you and anyone you call
- Enhanced VGA sensor & 1.3-MP photos for crisp, colorful video & image
- Built-in mic with Logitech® RightSound™ technology for crystal-clear audio
- Logitech® Video Effects™ Fun Filters for adding a little fun to your video

Logitech® Webcam C200

Part # 960-000415

An Affordable Webcam Equipped with All The Video Calling Essentials

Get started without hassles. Communicate without borders. Video calling is free, fast, and easy with Logitech® Vid™. You'll get lifelike color with a VGA sensor.

- Logitech® Vid™: Simple video-calling software that is free, fast, and easy for you and anyone you call
- True VGA resolution for true-to-life video chats
- Built-in mic with Logitech® RightSound™ technology for crystal-clear conversations
- Integrated universal clip attaches easily to any LCD monitor or notebook

ClearChat PC Wireless™ Headset

Part # 981-000068

Enjoy Crystal-Clear Audio – With Complete Freedom of Movement

With a 30-foot range, laser-tuned drivers, and a noise-canceling microphone, the ClearChat PC Wireless™ headset lets you enjoy crystal-clear audio without being tethered to your computer.

- Logitech® 2.4 GHz wireless technology for extended range (up to 30 feet)
- Digitally enhanced USB audio with laser-tuned drivers for exceptional sound clarity
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- No battery hassles – rechargeable battery with rapid-charging ability
- Volume and mute controls for added convenience

Premium Notebook Headset

Part # 980445-0403

Foldable, Adjustable and Portable Digital Audio

With a fold-flat design, carrying case, and the convenience of either USB or analog connections, it's easy to take your communications wherever you take your notebook.

- Adjustable behind-the-head design for enhanced comfort and stability
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- USB and analog connections (adapter included) for added flexibility
- Folding design and carrying case for easy transport

ClearChat Pro USB™ Headset

Part # 981-000010

High-Performance Digital Audio

Featuring digitally enhanced USB audio, laser-tuned drivers, and three equalizer settings, this high-performance headset is ideal for PC calling, music, and gaming.

- Digitally enhanced USB audio with laser-tuned drivers for exceptional sound clarity
- Three equalizer settings that optimize audio for PC calling, music, or gaming
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- Volume and mute controls on the headset for added convenience
- Rotating microphone boom that swings out of the way when not in use

ClearChat Comfort USB™ Headset

Part # 981-000014

First-Class Comfort and Digital Audio

The adjustable, padded headband and plush ear pads provide an amazing level of comfort, and the digital audio and noise-canceling microphone deliver premium audio.

- Adjustable, padded headband and plush ear pads for outstanding comfort
- Digitally enhanced USB audio for superior sound clarity
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- Rotating microphone boom that swings out of the way when not in use

Logitech® USB Headset H330

Part # 981-000127

Clear and Simple

Featuring clear digital audio for Internet calls, with plug-and-play simplicity for Mac and PC.

- Superior sound quality for Internet calls, music, movies and games
- Noise-canceling microphone that blocks unwanted sounds - even in a noisy room
- Rotating Microphone boom that swings out of the way when not in use
- Adjustable headband for a comfortable fit

ClearChat Premium PC™

Part # 981-000084

High-Quality Sound and Superior Comfort

Maximize your audio communications with premium-quality audio, a noise-canceling microphone, and a rubberized headband with soft foam ear pads for enhanced comfort.

- Premium-quality stereo sound that lets you hear every detail
- Rubberized headband with soft foam ear pads for a comfortable fit
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- Rotating microphone boom that swings out of the way when not in use

ClearChat Style Headset™

Part # 981-000018

Premium-Quality Audio with a Personal Flair

With interchangeable colors, a comfortable behind-the-head design, and a noise-canceling microphone, this headset looks good and sounds great.

- Interchangeable color plates that let you customize your headset
- Sleek behind-the-head design that enhances comfort
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- Rotating microphone boom that swings out of the way when not in use

ClearChat Stereo Headset™

Part # 981-000009

Chat in Comfort

The sleek, lightweight headset adjusts easily for comfort and features a noise-canceling microphone that rotates out of the way when you just want to listen to music.

- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- Adjustable headband for a comfortable fit
- Rotating microphone boom that swings out of the way when not in use

Logitech® Notebook Headset H165

Part # 981-000181

Corded, In-Ear Headset with Noise-Canceling Mic

The portable headset is ideal for internet calls and enjoying music and movies while on the go.

- Works with notebook and desktop PCs as well as DVD players
- Noise filtering, in-line microphone with mute helps reduce annoying background noise
- Interchangeable silicon tips in three different sizes
- Included travel case stores and protects your headset while on the go

USB Desktop Microphone

Part # 980186-0403

Plug-and-Play Digital Audio

Move up to true digital quality audio with advanced noise-canceling technology – and without needing to install or download drivers.

- Digitally enhanced USB audio for superior sound clarity
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- Adjustable microphone that easily pivots on base to preferred position
- Mute button on base for easily muting volume
- Power switch that lights up to let you know when microphone is active

Indoor Video Security Master System

Part # 961-000286

Revolutionary Video Security for Your Home or Office

This PC-based video security system for homes and small businesses is easy to set up, records high-quality video to your PC, sends motion-activated alerts, and allows remote viewing.

- Easy setup – no wires to run and no network configuration
- Motion-activated video recorded to your PC – with easy search and playback
- Instant motion-activated alerts sent to your mobile phone and email
- Free remote viewing from Web browsers or mobile phones
- Support for up to 5 add-on cameras – Indoor, Outdoor, Spy

Outdoor Video Security Master System

Part # 961-000287

Revolutionary Video Security for Exterior Locations

Featuring a weatherproof outdoor camera, motion-activated alerts, and remote viewing, this PC-based video security system lets you easily monitor the perimeter of your home or office.

- Easy setup – no wires to run and no network configuration
- Motion-activated video recorded to your PC – with easy search and playback
- Instant motion-activated alerts sent to your mobile phone and email
- Free remote viewing from Web browsers or mobile phones
- Support for up to 5 add-on cameras – Indoor, Outdoor, Spy

Spy Video Security Master System

Part # 961-000288

Revolutionary Video Security that Blends into Home Surroundings

With a camera that masquerades as a clock, easy setup, and advanced features like motion activation, this professional-grade system gives you everything you need to monitor a room discreetly.

- Easy setup – no wires to run and no network configuration
- Motion-activated video recorded to your PC – with easy search and playback
- Instant motion-activated alerts sent to your mobile phone and email
- Free remote viewing from Web browsers or mobile phones
- Support for up to 5 add-on cameras – Indoor, Outdoor, Spy

Indoor Add-On Security Camera

Part # 961-000289

Indoor Security Camera for Digital Video Security Master Systems

With an attractive, unobtrusive design and advanced features like motion detection, this high-quality camera easily connects to your existing Digital Video Security system, extending your ability to monitor your property.

- Stylish indoor camera with high-quality color video and flexible mounting options
- Easy setup – no wires to run and no network configuration
- Digital motion detection for automatically capturing and storing nearby activity
- Automatic brightness and contrast adjustment for superior images in changing light conditions
- Built-in video compression that lets you store longer videos

Outdoor Add-On Security Camera

Part # 961-000290

Outdoor Security Camera for Digital Video Security Master Systems

Designed to match the exterior of your home or office, this high-quality outdoor camera features flexible mounting options, making it easy to extend the monitoring range of your Digital Video Security system.

- Weatherproof outdoor camera with high-quality color video and flexible mounting options
- Easy setup – no wires to run and no network configuration
- Digital motion detection for automatically capturing and storing nearby activity
- Automatic brightness and contrast adjustment for superior images in changing light conditions
- Built-in video compression that lets you store longer videos

Spy Add-On Security Camera

Part # 961-000291

Hidden Security Camera for Digital Video Security Master Systems

Masquerading as a fully functional digital clock, the spy camera connects easily to your Digital Video Security system and provides high-quality color video, letting you monitor a room discreetly.

- Hidden-camera design that masquerades as a sleek, fully functioning digital clock
- Easy setup – no wires to run and no network configuration
- Digital motion detection for automatically capturing and storing nearby activity
- Automatic brightness and contrast adjustment for superior images in changing light conditions
- Built-in video compression that lets you store longer videos

G19 Gaming Keyboard

Part # 920-000969

A Complete Arsenal of Advanced Gaming Technology

Featuring a full-color GamePanel™ LCD and 12 programmable G-keys, the Logitech® G19 keyboard gives you instant access and control for even the most intense gaming sessions.

- Color GamePanel™ LCD for viewing game stats, video, images, and many other items
- User-selectable backlighting color and brightness levels for improved visibility in low light
- 12 programmable G-keys with MR key for single-press execution and on-the-fly recording
- Two built-in USB 2.0 ports for easily connecting or charging other devices
- Multi-key input that lets you use up to 5 keys simultaneously for executing complex actions

G15 Gaming Keyboard

Part # 920-000379

Your Tactical Advantage for Gaming

Get an edge over the competition with unprecedented communication and control, thanks to programmable G-keys and an integrated LCD that displays key game information.

- Integrated GamePanel™ LCD for viewing game stats and other important information
- 6 programmable G-keys for single-press execution of complex actions
- Illuminated keys with three levels of brightness for excellent visibility in low light
- Macros that can be created and saved on the fly – without pausing the action
- Convenient media controls for adjusting volume and playing music or movies

G13 Advanced Gameboard

Part # 920-000946

Game-Changing Comfort and Control

Naturally contoured for increased comfort, the G13 gameboard gives you an extra level of gaming control with 25 programmable keys and onboard memory for saving up to 5 profiles.

- Naturally contoured design for increased comfort during long sessions
- Onboard memory for saving up to 5 personal profiles to take your preferences with you
- Customizable backlighting to easily locate the right key in low-light or lights-out play
- 25 programmable keys that can create macros on the fly – without pausing the action
- Integrated GamePanel™ LCD for viewing game stats and other important information

G11 Gaming Keyboard

Part # 967929-0403

Easy, Powerful Macros for a Definitive Edge

The G11 Gaming Keyboard features 18 programmable G-keys that let you create useful macros on the fly – and then play them back with just one, time-saving keystroke.

- 18 programmable G-keys for single-press execution of complex actions
- Illuminated keys with three levels of brightness for excellent visibility in low light
- Macros that can be created and saved on the fly – without pausing the action
- Convenient media controls for adjusting volume and playing music or movies
- Cord channels that route other cables under the keyboard and out of your way

G9x Laser Mouse

Part # 910-001152

Tune for the Way You Play

More customizable features than any other gaming mouse.

- Interchangeable grips let you choose a fit and feel that's best for your playing style
- Next-generation gaming laser gives you game-changing precision at any hand speed
- Onboard memory lets you program up to five ready-to-play profiles
- Weight-tuning system gives you up to 28 g of extra weight for personalized feel and control
- Custom-color

G7 Cordless Laser Mouse

Part # 931375-0403

Gaming-Grade Precision with the Freedom of Wireless

Featuring blazingly fast wireless technology and a high-resolution 2000 dpi laser engine for extreme precision, the G7 mouse gives you wireless freedom without sacrificing performance.

- High-resolution laser engine (2000 dpi) for uncompromising speed and precision
- Multiple sensitivity levels that can be adjusted on the fly, to fit your gaming style
- Full-speed USB 2.0 for speeds up to eight times faster than conventional mice
- Dual lithium-ion battery packs for swapping in a fresh pack when one pack dies
- Logitech® 2.4 GHz digital wireless for fast, reliable performance and no lag

Gaming Mouse G500

Part # 910-001259

Your Weapon of Choice

Gaming-grade laser gives you game-changing precision (200 to 5700 dpi) at any hand speed

- Onboard memory lets you save and take your settings for your favorite title with you
- Weight tuning gives you up to 27 grams of extra weight for personalized feel and control
- Dual-mode scroll wheel—with hyper-fast scrolling—provides click-to-click scrolling that's perfect for weapon selection when you're gaming
- On-the-fly adjustable dpi gives you the right level of precision—from pixel-precise targeting (200 dpi) to lightning-fast maneuvers (up to 5700 dpi)

MX™518 Gaming-Grade Optical Mouse

Part # 931352-0403

Gaming-Grade Optical Performance with Adjustable Sensitivity

This high-performance gaming mouse gives you an edge over the competition with amazing precision and fast, smooth response that lets you react quickly to the action.

- High-resolution MX™ Optical Engine (1800 dpi) for smooth tracking and response
- Multiple sensitivity levels that can be adjusted on the fly, to fit your gaming style
- Programmable buttons for mapping your favorite controller functions
- Super-slick polytetrafluoroethylene gaming feet for ultra-smooth gliding
- Contoured grip for enhanced performance and comfort

Z-5500 Digital Surround Sound Speaker System

Part # 970115-0403

THX®-Certified Digital 5.1 Surround with 505 Watts RMS

Surround yourself with powerful, studio-quality sound for your music, movies, and games with 5.1 channel digital decoding, THX® certification, and 505 watts RMS power.

- 5.1-channel Dolby® Digital and DTS® decoding for an immersive surround sound experience
- 505 watts RMS power and THX® certification for theater-like audio reproduction
- 10" long-throw subwoofer with flared bass port for powerful, distortion-free bass
- Six audio input sources for connecting a variety of devices (PCs, game consoles, DVDs, etc.)
- Wireless remote control for added convenience

X-540 Surround Sound Speaker System

Part # 970223-0403

5.1 Surround Sound with Full Range and Deep Bass

Intensify your gaming and your music with a uniform sound field that surrounds you with full, rich audio and deep, rumbling bass.

- Full, rich 5.1 surround sound – even from two-channel stereo sources
- Matching front and rear satellites with FDD2™ technology for a uniform sound field
- Ported, down-firing subwoofer that displaces more air for deeper bass
- Control pod for easily adjusting volume, bass, and surround matrix
- Convenient headphone jack for private listening

G35 Surround Sound Headset

Part # 981-000116

Immersive Dolby® 7.1 Surround Sound

Powered by Dolby® technology, the G35 headset delivers detailed 7.1 surround sound, and convenient on-ear controls give you quick access to key audio features.

- 7.1 surround sound by Dolby® technology – hear your enemies before they see you
- Three swappable headband pads for choosing the best fit for long-lasting comfort
- Three customizable G-keys for one-touch control of music, voice morphing, and more
- On-ear audio controls for quick access to volume, microphone mute, and surround sound
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room

Gaming Headset G330

Part # 981-000176

Comfort That Won't Quit

With its adjustable, behind-the-head design, pressure-relieving silicone lining, and pivoting ear pads, the Logitech® Gaming Headset G330 delivers comfort that won't quit.

- Adjustable, behind-the-head fit
- Pressure-relieving silicone lining for extended wear
- Noise-canceling microphone
- Connect digitally to any USB port for enhanced audio or directly via 3.5 mm jacks
- In-line audio controls let you adjust the volume or mute the microphone without pausing the action

Cordless RumblePad™ 2

Part # 963326-0403

Wireless PC Controller with Vibration Feedback

Lean back and experience the action with vibration feedback, fast and reliable wireless technology, and programmable buttons that let you customize how you play.

- Dual-motor vibration feedback, so you feel all the hits, crashes, and explosions
- Logitech® 2.4 GHz digital wireless for fast, reliable performance and no lag
- 8-way D-pad with dual analog control sticks for smooth, precise control
- 10 programmable buttons that let you take command of your favorite moves
- Battery life up to 100 hours for playing longer without missing any action

RumblePad™ 2

Part # 963325-0403

Feel Every Hit, Crash, and Explosion

Logitech's advanced dual-motor vibration feedback adds a thrilling dimension to your games, letting you experience every bone-rattling crash and blind-side hit, while staying in complete control.

- Dual-motor vibration feedback, so you feel all the hits, crashes, and explosions
- 8-way D-pad with dual analog control sticks for smooth, precise control
- 10 programmable buttons that let you take command of your favorite moves
- Contoured design with textured rubber grips for enhanced comfort

Dual Action™ Gamepad

Part # 963292-0403

Versatile Performer for All Kinds of Games

Featuring 12 programmable buttons, analog joysticks, and a precise eight-way D-pad, the Dual Action™ Gamepad makes it easy to take control of your PC gaming experience.

- 8-way D-pad with dual analog control sticks for smooth, precise control
- 12 programmable buttons that let you take command of your favorite moves
- Compact, contoured design for enhanced comfort during extended play

Precision™ Gamepad

Part # 963335-0403

Plug-and-Play Simplicity

The familiar layout and easy installation gets you up and running quickly, and with four action buttons and four shoulder buttons, you can react quickly with more control.

- Easy setup – no software to install
- 8-way D-pad with familiar button layout that's easy to learn
- Compact, contoured design for enhanced comfort during extended play

G27 Racing Wheel

Part # 941-000045

Simulator-Grade Racing

A simulator-grade racing wheel for the PC and PLAYSTATION®3. The Logitech® G27 Racing Wheel features a powerful, dual-motor force feedback mechanism that smoothly, quietly, and accurately simulates traction loss, weight shift, and road feel.

- Powerful, dual-motor force feedback mechanism accurately simulates traction loss and road feel
- Helical gearing provides exceptionally smooth and quiet steering action
- Six-speed shifter with push-down reverse gear allows you to quickly choose exactly the right gear
- RPM/shift indicator LEDs integrate with racing game software to indicate when the user should shift gears
- 11" leather-wrapped wheel with steel gas, brake, and clutch pedals

Driving Force™ GT

Part # 941-000020

Realistic Racing for PC and Playstation®3

The Driving Force™ GT features advanced force feedback technology and 900-degree wheel rotation for an exceptionally realistic racing experience.

- Advanced force feedback that recreates realistic bumps, crashes, and traction loss
- Realistic 900° wheel rotation that accurately replicates steering dynamics
- Large 11" wheel with rubber-overmold rim for exceptional comfort and control
- Real-time adjustment dial for tuning brake bias, traction control, and other settings
- Gas and brake pedals with carpet grips for instant response and feedback

Flight System G940

Part # 942-000011

Authentic Controls and Force Feedback for a Simulator-Grade Flying Experience

Logitech® Flight System G940 provides simulator-grade flying with authentic controls and realistic force feedback. Its design is inspired by military and commercial controls for an experience that's more realistic and more fun.

- An authentic design inspired by military and commercial planes and helicopters
- The force feedback joystick allows you to feel your aircraft's reaction to air, turbulence, and g-forces
- The dual throttle allows you to precisely control multi-engine aircraft using the split lever
- Rudder pedals with toe brakes give you true-to-life control
- Interactive, programmable throttle-base buttons can illuminate red, green, amber, or off

Force™ 3D Pro Joystick

Part # 963352-0403

Premium Control with Force Feedback

This high-performance joystick provides exceptional precision and control, and the advanced force feedback mechanism adds an incredible sense of realism.

- Advanced force feedback mechanism for authentic, real-time feedback
- 12 programmable buttons that can be customized for each game or vehicle
- Sculpted twist handle for precise rudder control and superior comfort
- 8-way rubber hat switch for easy navigation with minimal hand movement
- High-precision throttle for accurate speed control

Freedom™ 2.4 Cordless Joystick

Part # 963283-0403

High-Performance Joystick Control — Without the Cord

Featuring fast, reliable wireless technology and a complete set of advanced controls, the Logitech® Freedom 2.4™ delivers amazing performance — without all the cable clutter.

- Logitech® 2.4 GHz digital wireless for fast, reliable performance and no lag
- 10 programmable buttons that can be customized for each game or vehicle
- Sculpted twist handle for precise rudder control and superior comfort
- 8-way rubber hat switch for easy navigation with minimal hand movement
- Battery life up to 50 hours for playing longer without missing any action

Extreme™ 3D Pro Joystick

Part # 963290-0403

Fast Access and Superior Precision

With 12 fully programmable buttons, an 8-way rubber hat switch, and precise throttle controls, the Extreme™ 3D Pro lets you take complete control of your favorite games.

- 12 programmable buttons that can be customized for each game or vehicle
- Sculpted twist handle for precise rudder control and superior comfort
- 8-way rubber hat switch for easy navigation with minimal hand movement
- High-precision throttle for accurate speed control
- Rapid-fire trigger that gives you extra fire power

Attack™ 3 Joystick

Part # 963291-0403

Instantly Add Precision to Your Favorite Games

Easy to set up and easy to use, the Attack™ 3 Joystick offers stellar performance and flexibility with 11 programmable buttons and an ambidextrous grip.

- 11 programmable buttons that can be customized for each game or vehicle
- Ambidextrous design that fits right or left hand like a glove
- High-precision throttle for accurate speed control
- Rapid-fire trigger that gives you extra fire power
- Weighted base for enhanced stability

Wireless Guitar Controller

Part # 939-000128

Unleash Your Inner Rockstar. Play on Guitar or Expand to a Band.

Its authentic materials—solid body, wood neck, metal frets and tuning peg handles, and rosewood fingerboard—provide a realistic experience.

- Touch Sensitive Neck Slider and Star Power buttons let you take advantage of all the features of Guitar Hero®
- Officially licensed for Guitar Hero® games (sold separately)
- PLAYSTATION®3 and PlayStation®2 compatibility
- Two 2.4 GHz wireless receivers: USB for PLAYSTATION®3 and controller port for PlayStation®2
- Virtually silent Strum Bar and fret buttons won't distract you from the music

Wireless Drum Controller

Part # 939-000183

Unleash Your Inner Rockstar. Play on Drums or Expand to a Band.

The Logitech® Wireless Drum Controller lets you unleash your inner rockstar. Fully adjustable drum heads and cymbals can be positioned to fit your reach and suit your style, helping you play faster and better.

- Fully adjustable drum heads and cymbals
- Quiet, responsive drum heads have a lively feel and won't distract you from the music
- Designed for Guitar Hero® to let you take advantage of all the latest features—in the game and in the Music Studio. (Games sold separately.)
- You get a 2.4 GHz wireless USB receiver for PLAYSTATION®3 and PlayStation®2
- The controller sets up quickly and folds flat in seconds

Wireless Microphone

Part # 981-000138

Sing with Professional Quality and Wireless Freedom

The high-quality and professional design of this wireless microphone let you enjoy a more realistic experience – even during long singing sessions, thanks to the 20-hour battery life.

- Digital wireless connection for greater freedom and faithful voice reproduction
- Authentic, professional design that delivers a heightened sense of realism
- 20+ hours of battery life to help minimize the hassle of changing batteries
- Support for most popular music games, so you can have more fun
- Easy USB connection and a range up to 30 feet for added convenience

Vantage™ USB Headset for PlayStation 2 & PlayStation 3

Part # 980174-0403

Superior Comfort and Clarity

Featuring digital USB audio, a noise-canceling microphone, and interchangeable ear pads, this high-performance headset provides crystal-clear sound and enhanced comfort.

- Three interchangeable ear pads (velvet, leatherette, foam) for personalized comfort
- USB connection for digital-quality audio and easy setup
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- Comfortable, adjustable headband that lets you find the right fit
- 10-foot cable for greater range of motion

Cordless Precision™

Part # 940-000018

High-Performance Wireless Control

With a range of up to 30 feet and high-performance controls, the Cordless Precision™ controller gives you terrific freedom of movement, without sacrificing game play.

- Operational range up to 30 feet for excellent freedom of movement
- Logitech® 2.4 GHz digital wireless for fast, reliable performance and no lag
- Advanced D-pad with dual analog control sticks for smooth, precise control
- Compact, contoured design for enhanced comfort during extended play
- PS button for quick access to your PlayStation®3 menu system

Cordless MediaBoard Pro™

Part # 968011-0403

Full-Featured Keyboard with Bluetooth® Wireless Technology

Featuring Bluetooth® 2.0 wireless technology for extended range, an integrated touch pad, and a slim, lightweight design, this advanced keyboard makes entering text on your PlayStation®3 a breeze.

- Fully operational keyboard that's much easier for text entry than a controller
- Bluetooth® technology for complete wireless freedom (up to 30 feet)
- Integrated touch pad with vertical scrolling — no need for a separate mouse
- Dedicated hot keys for easy access to entertainment media
- Lightweight design with a slim profile that's easy to handle, use, and store

G27 Racing Wheel

Part # 941-000045

Simulator-Grade Racing

A simulator-grade racing wheel for the PC and PLAYSTATION®3. The Logitech® G27 Racing Wheel features a powerful, dual-motor force feedback mechanism that smoothly, quietly, and accurately simulates traction loss, weight shift, and road feel.

- Powerful, dual-motor force feedback mechanism accurately simulates traction loss and road feel

Wireless Guitar Controller

Part # 939-000152

Unleash Your Inner Rockstar

The Logitech® Wireless Guitar Controller lets you unleash your inner rockstar. Its solid body, wood neck, metal frets and tuning peg handles, and rosewood fingerboard provide a realistic experience.

- A solid body, wood neck, metal frets and tuning peg handles, and a rosewood fingerboard
- Touch Sensitive Neck Slider and Star Power buttons let you take advantage of all the features of Guitar Hero®
- Virtually silent Strum Bar and fret buttons won't distract you from the music
- Licensed for Wii™

Wireless Drum Controller

Part # 939-000242

Unleash Your Inner Rockstar

The Logitech® Wireless Drum Controller lets you unleash your inner rockstar. Fully adjustable drum heads and cymbals can be positioned to fit your reach and suit your style, helping you play faster and better.

- Fully adjustable drum heads and cymbals can be positioned to fit your reach and suit your style
- Quiet, responsive drum heads have a lively feel and won't distract you from the music
- Designed for Guitar Hero® to let you take advantage of all the latest features
- Licensed for Wii™
- The controller sets up quickly and fold flat in seconds

Wireless Microphone

Part # 981-000138

Sing with Professional Quality and Wireless Freedom

The high-quality and professional design of this wireless microphone let you enjoy a more realistic experience – even during long singing sessions, thanks to the 20-hour battery life.

- Digital wireless connection for greater freedom and faithful voice reproduction
- Authentic, professional design that delivers a heightened sense of realism
- 20+ hours of battery life to help minimize the hassle of changing batteries
- Support for most popular music games, so you can have more fun
- Easy USB connection and a range up to 30 feet for added convenience

Cordless Keyboard for Wii™

Part # 920-000934

Easy Wireless Text Entry for Your Wii™

Licensed by Nintendo® and featuring a compact design, the Cordless Keyboard for Wii™ makes it easy to enter text on the Wii™ Internet Channel and in chat-oriented games.

- Licensed for Wii™ to ensure both design and technical compatibility
- Logitech 2.4 GHz digital wireless for fast, reliable performance and no lag
- Compact, slim design that looks great and is easy to store
- Easy setup – just plug in the receiver and the keyboard works instantly
- Wii™ system keys and dedicated buttons for simple navigation

Wireless Guitar Controller

Part # 939-000150

Unleash Your Inner Rockstar. Play on Guitar or Expand to a Band.

Its authentic materials—solid body, wood neck, metal frets and tuning peg handles, and rosewood fingerboard—provide a realistic experience.

- Touch Sensitive Neck Slider and Star Power buttons let you take advantage of all the features of Guitar Hero®
- Officially licensed for Guitar Hero® games (sold separately)
- Xbox 360® compatibility
- Virtually silent Strum Bar and fret buttons won't distract you from the music

Wireless Drum Controller

Part # 939-000196

Unleash Your Inner Rockstar

The Logitech® Wireless Drum Controller lets you unleash your inner rockstar. Fully adjustable drum heads and cymbals can be positioned to fit your reach and suit your style, helping you play faster and better.

- Fully adjustable drum heads and cymbals
- Quiet, responsive drum heads have a lively feel and won't distract you from the music
- Designed for Guitar Hero® to let you take advantage of all the latest features
- The controller uses Xbox 360® wireless technology—just press the Xbox 360® Guide button and the controller connects to the console
- The controller sets up quickly and folds flat in seconds

Wireless Microphone

Part # 981-000138

Sing with Professional Quality and Wireless Freedom

The high-quality and professional design of this wireless microphone let you enjoy a more realistic experience – even during long singing sessions, thanks to the 20-hour battery life.

- Digital wireless connection for greater freedom and faithful voice reproduction
- Authentic, professional design that delivers a heightened sense of realism
- 20+ hours of battery life to help minimize the hassle of changing batteries
- Support for most popular music games, so you can have more fun

PlayGear Pocket Slim™ for PSP™

Part # 943-000015

Protect Your PSP™, Even While Playing

With customizable skins and durable polycarbonate construction, the PlayGear Pocket Slim™ lets and add your own personal style and protects your PSP™ (2000 and 3000 Series), even during play.

- Durable polycarbonate construction that helps protect your PSP™
- Play-in-case design that lets you use your PSP™ while inside the case
- Template for personalizing your PSP™ with your own images or artwork
- Built-in area to accommodate Sony's optional Extended Life Battery Kit
- Secure snap closure that keeps your PSP® safely in place when on the go

Harmony® 1100

Part # 915-000074

Personalized Control of Your Home Entertainment System

Featuring a customizable 3.5-inch color touch screen, backlit controls, and RF wireless capability, the Harmony® 1100 gives powerful control over your home entertainment.

- Customizable 3.5" color touch screen that lets you personalize how you watch and control
- RF capability for controlling hidden devices (with optional RF Wireless Extender)
- Rechargeable lithium-ion battery with sleek recharging cradle
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Seamless control of up to 15 devices

Harmony® 900

Part # 915-000030

Complete Control of Devices You Can't See

By using RF technology, Logitech® Harmony® 900 lets you control your home-entertainment devices without aiming your remote, even when they're out of sight (up to 100 feet away).

- Includes RF System for a complete solution to controlling hidden devices
- Color touch screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable lithium-ion battery with sleek recharging stand
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Seamless control of up to 15 devices

Harmony® One

Part # 915-000035

Stylish Touch-Screen Control of Your Entertainment

The color touch screen and sculpted buttons, featuring an intuitive layout and backlighting, give you easy, one-touch access to your home entertainment – even in the dark.

- Color touch screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable lithium-ion battery with sleek recharging stand
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 15 devices

Harmony® 700

Part # 915-000120

Always Charged and Ready for Your Entertainment

Logitech® Harmony® 700 is the rechargeable remote that's simple to set up and use. It can go over a week between charges, so you won't be looking for batteries when you want to be watching TV.

- Color LCD screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable NiMH battery remote can go over a week between charges
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 6 devices

Harmony® 510

Part # 915-000082

Simple, One Button Access to Your Movies, Music and More

Throw away the cheat sheet for all those remotes and get intuitive, one-touch control over all your home entertainment components. Just choose the activity that you want and go.

- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 5 devices

Harmony® RF Wireless Extender

Part # 915-000044

Keep AV Devices Out of Sight

Complement your flat-screen lifestyle with the RF Wireless Extender, which works with the Harmony® 1100 or 890 remote to help keep all your components out of site.

- No line of sight required – controls devices inside cabinets and through walls
- IR commands received via RF to control hidden equipment
- Range of up to 100 feet
- Compatible with Harmony® 1100 and Harmony® 890

Harmony® Adapter for PLAYSTATION®3

Part # 943-000029

Lets your Harmony® Remote Play Nice with Your PLAYSTATION®3

Control your home entertainment system—including your PlayStation®3—with the Harmony Adapter for PlayStation® 3 and your Harmony remote.

- Works with Logitech® Harmony® remotes
- Supports all 51 PlayStation®3 commands in addition to on/off
- Bluetooth® link to PlayStation®3 doesn't use USB ports

Z-5500 Digital Surround Sound Speaker System

Part # 970115-0403

THX®-Certified Digital 5.1 Surround with 505 Watts RMS

Surround yourself with powerful, studio-quality sound for your music, movies, and games with 5.1 channel digital decoding, THX® certification, and 505 watts RMS power.

- 5.1-channel Dolby® Digital and DTS® decoding for an immersive surround sound experience
- 505 watts RMS power and THX® certification for theater-like audio reproduction
- 10" long-throw subwoofer with flared bass port for powerful, distortion-free bass
- Six audio input sources for connecting a variety of devices (PCs, game consoles, DVDs, etc.)
- Wireless remote control for added convenience

Z-2300 Speakers

Part # 970118-0403

THX®-Certified Audio Performance

Experience 200 watts of thumping, THX®-certified stereo music with powerful, distortion-free bass, clear highs, and rich mid-range tones.

- THX®-certified sound performance for high-quality audio reproduction
- 200 watts of total RMS power for powerful, clear audio
- 8" long-throw subwoofer with flared bass port for powerful, distortion-free bass
- Wired control pod for easily adjusting volume and bass
- Convenient headphone jack for private listening

Logitech® Speaker System Z520

Part # 980-000337

Bring Your Music to Life—At Your Desk and Around the House

Its 360-degree sound helps project audio evenly in all directions for great sound throughout the room.

- Amplified two-way design realistically reproduces sound for clear, natural acoustics
- With 26 watts (RMS) of power, it's loud enough for a party
- Auxiliary input lets you quickly plug in your iPod without having to unplug speakers from your computer
- Simple two-speaker standalone system offers a full range of sound in a stylish package
- Easy to set up, especially with notebook computers

Logitech® Speaker System Z523

Part # 980-000319

Rediscover the Art of Listening

Speakers with 360-degree sound help project audio evenly in all directions, so you get a great listening experience throughout the room.

- A down-firing subwoofer with 6.5-inch pressure driver delivers deep lows for rich bass you can feel
- A dual RCA jack and a 3.5 mm jack let you easily connect your gaming console, DVD player, or iPod®
- 40 watts (RMS) of power fills the room with bold, dynamic sound
- Convenient on-speaker controls put power and volume controls at your fingertips
- An integrated headphone jack lets you plug in your headphones for private listening

X-540 Surround Sound Speaker System

Part # 970223-0403

5.1 Surround Sound with Full Range and Deep Bass

Intensify your gaming and your music with a uniform sound field that surrounds you with full, rich audio and deep, rumbling bass.

- Full, rich 5.1 surround sound – even from two-channel stereo sources
- Matching front and rear satellites with FDD2™ technology for a uniform sound field
- Ported, down-firing subwoofer that displaces more air for deeper bass
- Wired control pod for easily adjusting volume, bass, and surround matrix
- Convenient headphone jack for private listening

Logitech® Speaker System Z323

Part # 980-000354

Great-Sounding Audio is More Than Just Loud—It Pulls You In

Whether your entertainment plans include an impromptu dance party, a marathon movie night, or a solo gaming session, the Logitech® Speaker System Z323 gives you great sound that brings music, dialogue, and action closer.

- Omnidirectional acoustics for great 360° room-filling sound throughout the room
- A ported, down-firing subwoofer delivers rich bass that brings music, movies, and games to life
- A dual RCA jack and a 3.5 mm jack let you easily connect your gaming console, DVD player, or iPod®
- An integrated headphone jack lets you listen in private whenever you want
- 30 watts (RMS) of power fills the room with big, bold sound

Logitech® Speaker System Z320

Part # 980-000329

Coming Through Loud and Clear—To Every Corner of Your Room

You'll get great sound all the way around the room thanks to 360-degree sound.

- Simple two-speaker stand-alone system offers a full range of sound in a small package that's perfect for notebook computers
- With 10 watts (RMS) of power, you can turn up the volume on music, videos, and games

Logitech® Speaker System Z313

Part # 980-000382

The Easy Way to Kick Back and Enjoy Your Music

The convenient control pod, room-filling sound, compact subwoofer, and easy setup give you what your built-in PC audio can't.

- The control pod makes it easy to control volume and headphone controls
- You can fill your room with big, balanced sound (25 watts RMS)
- The compact subwoofer fits into tight spaces and delivers deeper bass when you want to feel the beat

X-140 Speakers

Part # 970264-0403

Outstanding Stereo with a Slim, Stylish Profile

Enhance your digital music experience with these outstanding stereo speakers, which feature quality audio and full bass in a stylish, all-black design.

- Innovative two-driver design for more bass in a slim profile
- Dynamic, real-time bass equalization for maximum response and minimal distortion
- Built-in controls for easily adjusting volume and tone
- Auxiliary input jack for easily connecting your favorite MP3 player
- Convenient headphone jack for private listening

LS21 2.1 Multimedia Speakers

Part # 980-000058

Full, Balanced Audio with Contemporary Styling

Immerse yourself in full, balanced audio and deep, rich bass for all your music, games, and movies – all from a modern, compact design that looks great on your desk.

- High-excursion satellite drivers for rich sound in a compact profile
- Down-firing subwoofer that delivers deep, rich bass
- Wired control pod for easily adjusting volume
- Convenient headphone jack for private listening
- Cable management system that helps reduce clutter

LS11 2.0 Stereo Speaker System

Part # 980-000048

Great Styling, Clear Sound

Get optimal performance in a small package – with clear, crisp audio in a sleek, compact design that easily connects to your computer or portable MP3 player.

- Attractive, modern styling that looks great on your desk
- High-excursion satellite drivers for rich sound in a compact profile
- Convenient headphone jack for private listening
- Auxiliary input jack for easily connecting your favorite MP3 player
- Cable management system that helps reduce clutter

V20 Notebook Speakers

Part # 970155-0403

- Portable battery-operated design that lets you easily move from room to room

Logitech® Portable Speaker S125i

Part # 984-000094

Ready To Move, Ready To Groove

Use it to play and charge your iPod. Feel the beat with bass boost.

- Play and charge any iPod model with a dock connector
- A compact size and up to 10 hours of battery life make it easy to listen to your favorite music in your bedroom, kitchen, living room—even in your backyard
- Listen to any portable music player with a standard 3.5 mm stereo jack

TripleFi 10vi Noise-Isolating Earphones with Voice Capability

Part # IF-P7VSA0001-02

Studio-Quality Audio with In-Line Microphone

The integrated passive-crossover circuit board directs the low, mid, and high frequencies to the three dedicated speakers for studio-quality clarity and detail.

- Three individually balanced speakers in each ear for a detailed, sonically rich experience
- Integrated passive-crossover that directs frequencies to the proper speaker
- Miniature high-performance microphone that supports iPhone and BlackBerry®
- In-ear, noise-isolating design that reduces ambient noise for optimal audio clarity
- Audio channels and filters that shape sound for a studio-quality sonic signature

TripleFi 10 Noise-Isolating Earphones

Part # IF-P7PSA0005-02

The Sonic Equivalent of Sitting in a Recording Studio

The integrated passive-crossover circuit board directs the low, mid, and high frequencies to the three dedicated speakers for studio-quality clarity and detail.

- Three individually balanced speakers in each ear for a detailed, sonically rich experience
- Integrated passive-crossover that directs frequencies to the proper speaker
- In-ear, noise-isolating design that reduces ambient noise for optimal audio clarity
- Audio channels and filters that shape sound for a studio-quality sonic signature
- Soft interchangeable silicone ear cushions for a secure, comfortable fit

Ultimate Ears 700 Noise-Isolating Earphones

Part # IF-P5PSM0001-02

Pro-Quality Hidden Inside

Ultimate Ears 700 earphones use a custom-tuned dual-armature micro-design that delivers highly accurate sound reproduction in a compact design - each earphone is smaller than a dime.

- Two custom-tuned speakers in each ear give you a cleaner, more precise audio reproduction
- Microdesign provides a comfortably secure fit that allows you to wear it a long time without discomfort
- Wear the cables down for casual listening or over the ear while exercising or when more active
- Three different-sized ear-cushions and two sets of Comply™ foam ear-cushions are included to find a “magic seal” against outside noise in your ears

SuperFi 5vi Noise-Isolating Earphones with Voice Capability

Solid PS/2 Performance

- Optical technology for smooth tracking and cursor control
- Scroll wheel for easy navigation
- Comfortable ambidextrous design that fits either hand
- Easy setup – no software to install
- PS/2 connectivity

NX50 Notebook Laser Mouse

Part # 910-000316

Laser Precision with Convenient Travel Design

- Superior laser precision for smoother tracking on virtually any surface
- Innovative cord-wrap system that makes the mouse easy to pack and carry
- Shock-resistant bumper for enhanced durability on the road
- Comfortable ambidextrous design that fits either hand
- Easy setup – no software to install

Cordless 1500 Rechargeable Desktop

Part # 920-000526

Rechargeable Mouse for Added Convenience

- Rechargeable mouse with cradle – no worry about replacing batteries
- One-touch hot keys for easy access to key tasks and applications
- Wireless optical mouse with side-to-side scrolling and zoom
- Encrypted keyboard connection for added security
- Easy setup – no software to install

Pro 2800 Cordless Desktop

Part # 920-001176

Fast, Reliable Performance with Hyper-Fast Scrolling

- Contoured, 6-button mouse with hyper-fast scrolling for flying through long documents
- Fast, easy setup -- pre-paired wireless connection and no software to install
- Advanced 2.4 GHz wireless that reduces interference in busy office environments
- 128-bit AES encryption for a secure connection between keyboard and computer
- Time-saving hot keys and extra number-pad keys for added convenience

Internet 350 USB Desktop

Part # 967972-0403

Smooth Tracking and Easy Access

- One-touch hot keys for easy access to key tasks and applications
- High-definition optical mouse for smooth, reliable tracking
- Durable spill-resistant design
- Easy setup – no software to install

Deluxe 250 Desktop

Part # 967973-0403

Designed for Comfort and Durability

- High-definition optical mouse for smooth, reliable tracking
- Durable spill-resistant design
- Easy setup – no software to install

Cordless Wave Keyboard

Part # 920-001654

Our Highest Level of Keyboard Comfort

- Innovative Wave design that cradles your fingers naturally
- Padded palm rest for extra support and comfort
- Battery life up to 3 years and low-battery indicator to help eliminate surprises
- Advanced 2.4 GHz wireless with 128-bit AES encryption for secure, reliable performance
- Pre-paired wireless connection, so it's ready to use right out of the box

Comfort Wave 450 Keyboard

Part # 920-001421

Natural and Adjustable Comfort

- Innovative Wave design that cradles your fingers naturally
- Removable, padded palm rest for additional support and comfort
- Front and rear tilt legs for multiple levels of adjustment, including negative slope
- Easy setup – no software to install
- Compact, streamlined profile that helps keep your workspace clear

Pro 2000 Cordless Keyboard

Part # 920-001655

Powerful and Secure Connection to Your Computer

- Advanced 2.4 GHz wireless that reduces interference in busy office environments
- 128-bit AES encryption for a secure connection between keyboard and computer
- Battery life up to 3 years and low-battery indicator to help eliminate surprises
- Fast, easy setup -- pre-paired wireless connection and no software to install
- Time-saving hot keys and extra number-pad keys for added convenience

Internet 350 USB Keyboard

Part # 967740-0403

One-Touch Hot Keys for Easy Access

- One-touch hot keys for easy access to key tasks and applications
- Durable spill-resistant design
- Easy setup – no software to install
- USB connectivity

Deluxe 250 USB Keyboard

Part # 967738-0403

Reliable USB Performance

- Durable spill-resistant design
- Easy setup – no software to install
- USB connectivity

S-220 Speakers

Part # 980-000023

Rich Audio and Deep Bass in a Compact Design

- 2.1 speaker configuration for clear, rich stereo sound
- Compact size that delivers high-quality audio without using too much space
- Ported subwoofer design that displaces more air for deeper bass
- Control pod for easily adjusting volume and bass
- Convenient headphone and microphone jacks for private listening or VoIP

S-150 Digital USB Speaker System

Part # 980-000028

USB Digital Audio and Convenience

- 2.0 stereo speaker system
- USB connection for power and digital-quality audio – no other cables needed
- Compact size that delivers high-quality audio without using too much space
- Built-in controls for easily adjusting volume

S-120 Speakers

Part # 980-000012

Clear, Crisp Sound in a Compact Design

- 2.0 stereo speaker system
- Compact size that delivers high-quality audio without using too much space
- Convenient headphone jack for private listening
- Built-in knob for easily adjusting volume

PC Headset 880

Part # 981-000074

Premium-Quality Audio for Easy Conversations

- Sleek behind-the-head design that enhances comfort
- Noise-canceling microphone that blocks unwanted sounds – even in a noisy room
- In-line volume and mute controls for easy access and convenience
- Flexible microphone boom that adjusts easily for optimal listening position
- Standard 3.5 mm connector for easy connection to headphone jacks

Logitech® Webcam Pro 9000 for Business

Part # 960-000561

Razor-Sharp Video with Ultra-smooth Autofocus and Carl Zeiss® Optics

- Logitech® Vid™: Simple video-calling software that is free, fast, and easy for you and anyone you call
- Ultra-smooth AutoFocus with Carl Zeiss® lens system for sharper, fluid video
- HD video recording and 2-megapixel sensor capture detailed 16 x 9 widescreen videos and up to 8-megapixel photos
- RightLight™ 2 Technology adjusts brightness for perfect images, even in dim light
- Premium built-in microphone with RightSound™ Technology for crystal-clear conversations

Logitech® B500 1.3MP Webcam

Part # 960-000559

Exceptional Image Quality and Clear Conversations

- Logitech® Vid™: Simple video-calling software that is free, fast, and easy for you and anyone you call
- Glass lens and 1.3-megapixel sensor for fluid video and vibrant 5-megapixel photos
- RightLight™ technology for enhanced image quality - even in dim light
- Built-in mic with Logitech® RightSound™ technology for crystal-clear audio
- Logitech® Video Effects™ like avatars and face accessories add animated fun to online chats

QuickCam® 3000 for Business

Part # 960-000309

Plug-and-Play Simplicity and High-Quality Video

- Plug-and-play UVC compliance for fast, easy setup of basic video calling
- VGA-quality video (640 x 480 pixels) at up to 30 frames per second
- Universal clip that attaches easily to a monitor or laptop
- Tripod socket base for securely mounting webcam on desks, walls, or other fixtures
- QuickCam® for Enterprise software for easy, IT-friendly installation

Logitech® B905 2MP Portable Webcam

Part # 960-000564

Face Time In No Time. Even On the Go.

- Logitech® Vid™: Simple video-calling software that is free, fast, and easy for you and anyone you call
- Premium glass lens and 2-megapixel sensor for sharp, smooth video and vibrant photos up to 8-megapixels
- Logitech® RightLight™ 2 technology intelligently adjusts for best possible images even in dim light or backlight conditions
- High quality built-in mic with Logitech® RightSound™ technology for ultra-clear conversations
- Logitech® Video Effects™ like avatars and face accessories add animated fun to online chats
